

CLINT ZWEIFEL
MISSOURI STATE TREASURER

**SECURITIES ACCEPTABLE AS COLLATERAL
TO SECURE STATE DEPOSITS**

The securities described below are hereby designated as acceptable collateral for state funds on deposit, as required by Section 30.270 RSMo (as amended). The State Treasurer reserves the right to refuse to accept as collateral any security or securities on this list, or to request the submission of an alternate acceptable security or securities, if, in the sole discretion of the State Treasurer, the State Treasurer determines that such action will provide greater security for the deposit of state funds.

The securities described below are designated as acceptable collateral for the deposit of state funds. The listing is not intended to serve as, and should not be considered as a listing of legally authorized investment instruments.

1. Marketable Treasury securities of the United States.
2. Bonds or certificates of participation (COP's) issued by the State of Missouri with an investment grade long-term rating from one of the Nationally Recognized Statistical Ratings Organizations (NRSRO's) or are secured by a federal agency guarantee (directly or through guaranteed loans), to include the following:
 - a. General obligation debt securities issued by the State of Missouri.
 - b. Revenue bonds issued by the Missouri Board of Public Buildings or Department of Natural Resources.

Collateralization margins for pass-through mortgage-backed securities, SBA pool certificates and collateralized mortgage obligations shall differ from debentures issued by such agencies. The only type of Collateralized Mortgage Obligations (CMO) that the Treasurer's Office will accept are Planned Amortization Classes (PAC's), Targeted Amortization Classes (TAC's) and sequential pay classes. Furthermore, Collateralized Mortgage Obligations must have a weighted average life not to exceed five years and pass the FFIEC High Risk Stress Test. No Strips, Z bonds, Mortgage Derivatives or Zeros are acceptable.

- 5. Tax anticipation notes issued by any county of class one in Missouri with an investment grade short-term rating from one of the Nationally Recognized Statistical Ratings Organizations (NRSRO's)
- 6. Surety bonds issued by an insurance company licensed under the laws of the State of Missouri whose claims-paying ability is rated in the highest category by Duff & Phelps, A.M. Best, Standard & Poors, or Moody's. The face amount of such surety bond shall be at least equal to the portion of the deposit to be secured by the surety bond.
- 7. Irrevocable standby Letter of Credit issued by a Federal Home Loan Bank possessing the highest rating issued by at least one NRSRO.
- 8. Bonds or certificates of participation issued by local government agencies within the fifty states, provided such instruments are rated in the highest category by at least one NRSRO.

The State Treasurer shall determine the collateralization margin (or "haircut") for each security type listed above, which may change from time to time subject to market conditions and other factors, but in no event shall be greater than the maximum limits allowed by law. The current collateralization requirements by security type are provided on Attachment "A".

The total market value of collateral must be equal to or greater than the collateralization margin set by the State Treasurer of the total amount of state time deposits (including accrued interest to maturity) plus demand deposits with the depository, less the amount, if any, which is insured by the Federal Deposit Insurance Corporation, or the National Credit Unions Share Insurance Fund. All securities pledged as collateral by the depository will be held by the Missouri State Treasurer, in a segregated account. All collateral pledged must be delivered in bearer form, book-entry form, or in the case of fully registered certificates, placed into the nominee name of the custodian.
